## SURGE PROTECTION DEVICE

## 10 Year Warranty

### Warranty Statement

**ALP Systems, Inc. provides a 10-year warranty from the date of purchase on all ALP's surge protection devices. If the product ceases to properly function as a direct result of any electrical anomaly, ALP will repair or replace the product, subject to the terms and conditions set forth herein. This SPD replacement warranty may be voided or modified for products installed at a single site that suffers damage more than two times during the warranty period.**

### Warranty Limitations

**This warranty is void if, in the sole subjective opinion of ALP, the product has been modified, altered, tampered with, misused or subjected to abuse, misapplied or repaired by any other entity other than ALP. ALP may request a site visit, phone or conference call to evaluate site problems. ALP may recommend corrective measures. If a customer elects not to follow the recommended corrective measures, the SPD replacement warranty may be voided or modified. A return of the damaged device is required in order to receive a replacement.**

### Limitation of Liability

**In no event shall ALP Systems Inc. be liable or responsible for special, incidental, consequential damages of any kind or character, nor shall its liability ever exceed the purchase price paid for defective SPD. Repair or replacement is the exclusive remedy of the end-user. This warranty is in lieu of all other warranties, express or implied.**
